

# Polocrosse Association of Australia

## Junior Polocrosse Squad

Back in June of this year the Polocrosse Association of Australia received over 120 nominations from talented Juniors around Australia who all wanted to be part of the very first Australian Junior Boot Camp and Squad.

The Selectors were in the unenviable position of selecting only 28 Juniors to be part of this brilliant initiative. The Selectors agonised over the selection and were very quick to point out that there is so much Junior talent around Australia and they, along with the Polocrosse Australia Board, encourage all those eligible Juniors who missed out this time to nominate again as soon as 2010 Nominations are called next year.

The Polocrosse Association of Australia is pleased to announce the Australia Junior Polocrosse Squad
