To all Clubs not currently on the NSW Polocrosse Website,

Finally there is a NSW Polocrosse website. It has taken a long time and a lot of work but here's to hoping that it is a user friendly and informative site for all Polocrosse enthusiasts.

As there is still a lot of Clubs who do not have any info on themselves on this site I am asking all Club Secretaries to please complete the details below and either email this back or fax - WITH a picture, sketch, photo of your club shirt.

This would be greatly appreciated.....
