From: Donna Weston

To: Melanie Kelly (Polocrosse Assoc of NSW)

Hi Mel, If any saddle cloths turn up at the meeting would you pass them on to Sandra Weston, She will be there. Please put in an apology for me. Also will include a report.

Equipment Officer's report.

With an ever increasing number of interstate competitions and other state fixtures our saddle cloths and extras are getting a lot of use. My concerns are that managers are not returning them to me but passing them on to other teams. That's ok if I know about it.

I would like players who have the honour of representing our state to remember the state equipment is on lone only and should be looked after, not just thrown around after every game. If wet, hang to dry, so mould doesn't set in. Hopefully for the Nationals I will have the NSW emblem replaced on the worn ones.

Thank you for tolerating me as equipment officer, as after this nationals I am resigning from the position. After around 25 years of washing saddle cloths my machine has stopped.

Regards

Donna Weston.

Non-playing Umpires needed

The Nationals at Albury are drawing closer, the National Umpiring Committee are in the process of organising umpires for the draw. Could all Zones please advise of any NON PLAYING umpires that will be in attendance at Albury. These umpires can be coaches/managers of teams, spectators or visitors.

Could you please forward names and contact details to myself, details below.

Cheers,
Sam Halsted

Upcoming events

13 Feb - PANSW AGM

5 March - [NWP Coaching Weekend](#)
